“ *To Aretha and Family,*  
*- Bobby and I go way back and he was a true friend. We became good friends during our time working together at Brown Miller pickle plant there in Tylertown for many years. Even after I moved away, we kept in touch. A very kind and gentle person with a giant personality who always kept the guys laughing with his jokes and antics. Going to miss him dearly. It is my prayer that God will provide you and the family His divine comfort, peace, and love during this time.*
