“*Cornelia’s dad and family were almost a part of our family when my parents ran the McComb Bakery . Such caring and thoughtful people .. and Cornelia’s dad was especially good to my mom and my aunt after my dad died.*

My daughter , Caryl , was in the grade with Cornelia .. and the two family ties helped keep a friendship alive .

Too soon gone , Cornelia .

Praying for His perfect peace to strengthen all of the family .

It is with great sadness that I say Farewell on this side to my Classmate and Childhood Friend. Cornelia and I use to play together with dolls at her house inside the screened porch when we were little girls growing up. Her unbelievable smile and humble spirit has always blessed my heart. Take your rest Cornelia (NeNe) and we'll meet again someday.

I will truly miss her, she was smiling and talking about her grandchildren. She was great to be around, an awesome upbeat spirit and very humble. She has truly been a friend to me for the last 20 years at the VA. I miss her. Her memory will be etched in my heart forever as the meaning of a true friend. Sam & Nikki, remember she is suffering no longer and to be absent from the body is to be present with the Lord. Mary McGruder
