Family and Friends

Greeting in the name of our Lord and Savior Jesus Christ,

*I regret that' I am unable to be with you' at this time, please accept
my' deepest
Sympathy and Condolences. We want you to know that 'I share in
our loss and my
prayers' are with you.*

*We all struggle for the correct words to say and the right things we
should
do, at a time such this, As I search my thoughts and heart' I know
there are
no words or nothing we could do to express the impact and Godly
compassion'
Gregory V. White, have shown to all of us as family and friends.*

*His life was a Godly living testimony for all of us to see, with God's
help he took
charge of the situation and condition in his life and persevered, with
so many
accomplishments, he did it all without complaining or indulging in
self pity and never
looking back. Gregory's importance, respectfulness and his
contribution to this family,
by the way he lived his life, can not be measure. The big joyful smile
he gave us all
and the person he was will be truly missed and very hard to replace
in our family.*

May God Bless all You
