KN

“ Love you forever bestfriend. Can you imagine?” I’ve said to friends not directly impacted by your loss. Image loving someone so easily and perfectly, and then they die unexpectedly; taken in the prime of both your lives. To be left with that crushing absence, because you knew true love — you had it! I will never forget you

Kay Nelson - May 21, 2022 at 01:56 AM

*“ Our staff will continue to keep your family in our prayers. We thank you for allowing us to serve your family during this difficult time.
