“Dear Jackson Family,
It was my pleasure, privilege and an honor to have cared for Granny at the beginning of her illness. We talked, sang and sometimes just sat in silence and loved each other. During those visits your family became my family.

My bible teaches that to be absent from the body is to be present with the our Lord. Today I am certain that Granny has been restored to full health, and is in the company of loved ones who have gone on before. What a reunion!

We too will see her again one day without all the burdens of this world, which is something to look forward to. In the mean time I will remember the good times and cherish those memories.

It is my prayer that God keeps and comforts you in the days ahead.

*With love,
Cousin Susan*
