“ *To the Ball family*

Sorry to hear of your loss, you and your loved ones will be in my thoughts and prayers.

My fond memories of Ms. O around the office, I used to always tease Ms. O about her sexy voice (Ms. O know what I'm talking about), those hairstyles and that amazing walk she had. Look out heaven make way Ms. O is coming to strut her stuff.

“ *My memory of Odelean Ball was working at the District Attorney Office with her , she was a laugh every conversation we had . She loved her family dearly and she displayed that during our conversations which was mainly about family life and how we wanted to live it to the fullest in which Ball did that. It took something out of me when I received a call about her death such a young woman with a lot of life left ,but our Father felt it was time to call her home and her duty here on earth was completed. Now she can walk on the paved road of gold and enjoy eternal life with the maker. I say to you REST on my sister we will meet again on the other side.*
