I remember when I became a cheerleader at North Pike Papa said you have the voice for it. And when I got Baptized at Topisaw in that stream papa said hold your breath. and my Papa always had his own lumber company and then branch out to Mathis Texaco and the Rose recreational room and also was on the Board of directors at Southwest Regional Hospital also in McComb a wonderful man and my grandfather Papa love you always R.I.H.P. your Kimbo.

“ *Bubba was such a good friend to so many, including ME! He was a big help to me n many ways during the time we served together on the hospital board, and later ...during the days when I was active in many things in McComb. I loved him so, his kindness, his generosity, his sincerity. This gentleman made an impact on many lives, and I was honored to have been able to call him Friend. I share the sadness of his family at his home going .. but I know he's having a great time talking and laughing with many of his friends as he is with his Lord. Asking that God's Grace surround each of you in the days ahead.*
